Who We Are

Founded and headquartered in Texas, Operation FINALLY HOME is a national nonprofit that unites everyday Americans who respect and value our country's military heroes and the sacrifices they make to defend our freedoms, as well as the widows of the fallen, in the unique opportunity to honor those heroes with a home.

Vision

With faith in God and determined action, we will have hundreds of homes built across the nation for our Heroes, those who have sacrificed while wearing America's uniform in defense of our freedoms and values, helping them get their lives back on track after the hardships they have faced.

Mission

At Operation FINALLY HOME, we provide custom-built, mortgage free homes and home modifications to America's military Heroes and the widows of the fallen who have sacrificed so much to defend our freedoms and values.

How We Accomplish Our Mission

We bring together corporate sponsors, builder associations, builders, remodelers, developers, individual contributors, and volunteers to help these heroes and their families' transition from the battle front to the home front by addressing one of their most pressing needs – a home to call their own.
